PROFILE

Detail-oriented Full Stack Developer skilled in React, JavaScript, TypeScript, Node.js, Express.js, MongoDB, and REST APIs. Experienced in building secure backend services, optimizing API integrations, and developing responsive front-end interfaces. Strong problem-solving mindset with solid knowledge of DSA, Git, and deployment workflows, committed to writing clean and scalable code.

EDUCATION

Software Development (MERN Full-Stack)   01/2025 – Present
Masai - Bengaluru

B.E in Computer Engineering   01/2021 – 08/2024
University of Mumbai - Chhatrapati Shivaji Maharaj Institute of Technology, Navi Mumbai

Diploma in Computer Engineering   07/2018 – 05/2021
MSBTE - Anjuman-I-Islam Kalsekar Polytechnic, Navi Mumbai

TECHNICAL SKILLS

Frontend
HTML, CSS, Tailwind CSS, Chakra UI, JavaScript, TypeScript, React.js, Redux

Backend
Node.js, Express.js, MongoDB, Redis, RESTful APIs

Tools
Git, GitHub, Postman, Netlify, Render, VS Code

Soft Skills
Communication, Problem Solving, Team Collaboration, Critical Thinking

PROJECTS

Travel Inspiration
React.js , Context API , Tailwind CSS, Firebase
GitHub 🔗 | Deployed 🔗
- Built a travel inspiration web app that enables users to discover destinations, curate dream itineraries, and save must visit places.
- Users can also view details about luxury, mid-range, and low-budget travel options.
- Integrated Firebase for backend services, including real-time data storage, user authentication, and itinerary persistence

Wellness Forever
React.js, Node.js, Express.js, MongoDB
GitHub 🔗 | Deployed 🔗
- Developed a full-stack application using the MERN stack, implementing secure JWT-based authentication and a scalable cart management system.
- Added end-to-end order management functionality to enhance user workflows and support medical product handling.
- Optimized application performance by implementing lazy loading, refining API integrations, and improving state management using Context API for smoother and faster user interactions. and a robust, scalable shopping cart system.

WORK EXPERIENCE

Front-End Developer Intern   06/2021 – 10/2022
HasbaSoft PVT LTD
- Gained hands-on experience in React.js, focusing on component-based architecture, state management, props handling, lifecycle methods, and conditional rendering.
- Strengthened skills in building reusable UI components and integrating APIs using modern React practices.
